This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Round trip to Godøy & Alnes Lighthouse

Ålesund – Godøy (Valkvæ) - Alnes – Ålesund

At Alnes you can enjoy the magnificent sea landscape which is as beautiful on a sunny summer day as in the winter storm.

You may visit Alnes lighthouse, which is still in operation. The tower features a permanent exhibition of watercolor works and sketches by the famous local artist Ørnulf Opdahl.

In the summer period you may visit the original lighthouse keeper’s house. Here you will find an exhibition about the history of the lighthouse, a summer café, and temporary art exhibitions.

The new Alnes Cultural Center features a café that is open all year round where you can buy homemade cakes and traditional food from the area. There is also an art gallery. In the café there is a permanent exhibition made by the Norwegian Coastal Administration illustrating the current activity at Alnes Lighthouse. See www.alnesfyr.no for opening times and information.

You can choose any combination of departure time and return time from the time tables below.
