This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

The Atlantic Road & Kristiansund (one way)

Molde – the Atlantic Road – Kristiansund

This trip goes from Molde via Norwegian Scenic Route the Atlantic Road - often described as the world's most beautiful road – to Kristiansund.

The Atlantic Road connects Averøy with the mainland via a series of small islands and islets spanned by a total of eight bridges over 8274 meters. The road is a national tourist route.

On some of the departures you have the opportunity to leave the bus at Atlanterhavsvegen and take a later bus onwards. Other departures are a direct connection to the bus for Kristiansund, and you enjoy the view from the bus window. (Check the timetable below.)

If you stop at the Atlantic Road, you will get off the bus at Eldhusøya. Here you can take a walk on the suspended walkway around the islet. The walkway consists of latticework ("grids") "floating" above the terrain and is suitable for or anyone. The service building at Eldhusøya, with its distinct architecture that falls into the terrain, has a café and toilets. (Open Saturdays and Sundays in the spring and every day 1st June – 31st August.) The area also offers a magnificent landscape, a rich bird life and great fishing opportunities.

Kristiansund known for the dried and salted cod – "klippfisk" (literally "cliff fish"). The city's speciality is the dish bacalao and dishes with "klippfisk" are served in all the restaurants and most of the cafés in town. You also find a snackbar that serves another one of Kristiansund's specialities - real fish and chips, locally called "fishan". The town has a rich cultural offering and a selection of shops and cafés.
