This is a "Travel like the locals" tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Ålesund - Stryn (one way)

Ålesund – Sykkylven - Stranda – Hellesylt - Stryn

On this trip you travel from beautiful Ålesund to charming Stryn through a varied and impressive landscape. The bus goes all the way from Ålesund to Stryn. There are no changes on the way.

The bus drives on board the ferry between Magerholm and Sykkylven, continues via Sykkylven over the Strandafjellet mountain pass to Stranda. Then the trip goes on to Hellesylt – and you will have a great view towards the Geirangerfjord. From Hellesylt, the trip goes through the Hornindal valley where you pass the Hornindalsvatnen lake – the deepest lake (514 m) in Northern Europe. You then go on to Grodås and finally to Stryn.

Stryn is a lively little town with shops, restaurants and other service offerings. The local clothing brands Ricco Vero and Skogstad are popular to bring home.

Departure from: Ålesund bus terminal, track 3
