This trip is a "Travel like the locals" tour by FRAM - the brand for public transport in Møre and Romsdal county. Our "Travel like the locals" tours use the regular FRAM buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)
