This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Molde - UNESCO Geirangerfjord (one way)

Molde – Sjøholt – Eidsdal – Geiranger

The first leg of this one way trip takes you from Molde to Sjøholt. This stretch includes a ferry trip of about 35 minutes, allowing you to see the town of Molde from the seaside. You can also enjoy one of the local specialties, *svele* (a type of sweet pancake) that you can buy onboard.

From Sjøholt, the trip continues to Linge ferry quay, where you leave the bus and take the ferry to Eidsdal ferry harbor. From Eidsdal, the trip goes on to Geiranger by bus, via the spectacular Eagle Road where there is a short photo stop.

In Geiranger you can enjoy the view to one of the most beautiful fjords in the world – surrounded by mighty mountains.

From Geiranger you have various options to travel to Ålesund, Trollstigen and Åndalsnes, or back to Molde.
